We thank community members for their generosity.

- AAIC recommends catering food from licensed restaurants (if you are planning to bring home cooked food, please make sure to cook on the same day).
- Food should be brought to AAIC no earlier than 3 hours prior to Iftar.
- Those preparing food or catering should consult with AAIC management team in advance.
- If sponsors decide to pack the food, AAIC recommends “to-go” boxes. The food must be packed in food boxes no more than 2 hours before breaking fast.
- Sponsor should provide supplies such utensils (plastic spoons, forks, and etc) along with food.
